Principal's Report

Return to On-Site

It was so pleasing to have staff return to Warragul North Primary School last Monday. It was the first time for months that we were actually physically on-site and while we could not be in close contact we could at least see each other in reality and not on a screen.

It was also heart-warming to see the children return to on-site learning and watch them being warmly welcomed by their teachers. Students demonstrated great resilience and confidence as they settled back into on-site learning very smoothly on their first day.

A big welcome to the 11 new students that commenced this week. We hope they and their families enjoy being part of our WNPS community.

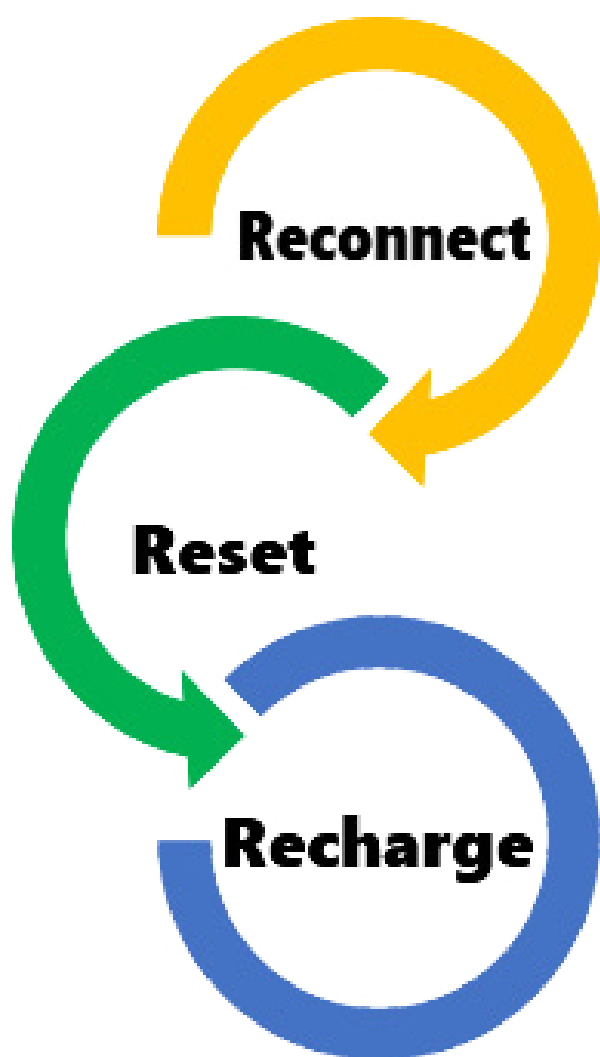

Principal's Report continued

Focus for Term Four

Working together the staff of Warragul North Primary School have planned a 'Reconnect, Reset, Recharge' theme for Term Four, focusing on mental well-being, being physically active, learning at point of need as well as social and emotional learning.

The theme supports the directives received from the Department of Education and Training stating that in Term Four schools are to have the following three priorities – well-being, learning and transitions.

DET Term Four Operations Guide for Government Schools

Curriculum – the usual requirements related to all eight key learning areas are suspended for Term Four. Schools are to effectively support students learning in literacy and numeracy. The guide goes on to state that curriculum planning in primary schools should focus on literacy and numeracy together with time allocated to physical activity.

Student Reporting – requirements for student reports for Semester Two are adjusted in recognition of the disruptions caused by transition to remote and flexible learning.

Reinforce COVID Safe Behaviours as per DET Guide

Students are to:

- Stay home if unwell even if students have the mildest of symptoms.
- Students should undertake regular hand hygiene.
- Students are to bring their own labelled water bottle to school. Students are not to drink from drinking fountains at this time.
- Sharing of food should not occur.
- Use non-contact greetings.
- Adults must practise physical distancing.
- Parents and carers are required to wear face masks including for school drop-off and pick-up.
- To ensure consistency with physical distancing students and families will not be permitted to congregate.
- Schools are to advise parents to avoid or minimise time in or around the school grounds.
- Limit mixing student groups by scheduling break times for morning recess and lunch recess at different times for different year levels.

Please note during Term Four break times are as follows for students.

Foundation, Year One and Year Six Students

Morning recess 10.30am – 11.00am

Lunch recess 12.30pm – 1.30pm

Year Two, year Three, Year Four and Year Five Students

Morning recess 11.00am – 11.30am

Lunch recess 1.30pm to 2.30pm

I am hoping we all enjoy Term Four working in harmony together and supporting our children. My sincerest wish is for all of us to have survived 2020 and reach Christmas healthy and happy.

Getting Along

School Values

Getting Along

Getting along means

1. **Being Tolerant of Others** - accepting people with their differences and not making overall judgements of people's character ('good person', 'bad person') based on their differences or behaviour. This means being kind and friendly.
2. **Thinking First** - thinking that when someone treats you badly, you need to think about different ways you can act, the consequences of each possible action, and the impact of your actions on how the other person will feel.
3. **Playing By The Rules** - thinking that by following important school and home rules, you will live in a better world where everyone's rights are respected.

Examples of Getting Along behaviour:

- ☺ Treating teachers and classmates with respect.
- ☺ Following important classroom and school rules.
- ☺ Listening and not interrupting in class when someone else is talking.
- ☺ Being helpful when working in a group.
- ☺ Talking rather than fighting when someone acts unfairly.
- ☺ Sharing materials.
- ☺ Helping someone else with their learning.

In a 'nutshell' Getting Along means being kind, friendly, including others and co-operating with each other.

Hello from the *Acorn Room*

In response to a crisis it is normal to feel anxious, stressed, unsure and uncertain. We have been living in a state of crisis for an extended period of time now. It is normal for these feelings to develop into frustration, disappointment, grief, fatigue and even depression. It is quite likely some children (and adults) may find their

reactivity/sensitivity is increased right now. It is important to acknowledge these feelings. Like broken glass, we can't sweep up the mess if we haven't seen where it is. Instead of getting 'caught up' in these feelings though, we need to diffuse them. One helpful activity is to break down the sources of our stress into areas we can and can't control (pictured below). Focus on what you can control. If we can't control something, like whether or not other people adhere to restrictions or not, we should let it go. This is an activity which can be done with children.

Things I can't control

Things I can control

Here is a list of positive things we can do:

- Talk with family and friends
- Exercise
- Eat healthfully
- Get adequate quality sleep
- Maintain structure/routine
- Do something creative
- Relax
- Normalise emotions
- Avoid excessive news and/or social media
- Create positive family rituals
- Display kindness
- Seek professional support
- Here are some ways we can support children:
 - Keep calm
 - Talk less, listen more
 - Don't sweat the small stuff
 - Use humour
 - Set clear boundaries
 - Take an interest in what they are doing

It is important that we ensure we are looking after ourselves first, like fitting our own oxygen mask so that we can help others.

If your child is reluctant to return to school, get in touch with your classroom teacher. They are professionals at dealing with this issue.

Dealing with difficulty is a normal part of life. My hope is that we can all grow through and from the challenges of this unusual year.

'FOR THE RECORD'

2020

SPONSORSHIP

For Families:

Our school magazine, 'For the Record' is published annually, and is a fabulous record for your child as they progress from one year to the next. Many of our school families report that the magazine has been a source of enjoyment for the whole family for many years.

Sponsorship will allow us to continue to produce this fantastic magazine annually, and is a great way for your family to support your child's school.

We would really appreciate you sponsoring a page in the magazine at a cost of \$30.00 per year. This will be acknowledged by your family and / or children's names being printed on one page and will be there for you to look back on in years to come.

If you have any queries or would like to sponsor a page in 'For the Record', please contact our school magazine co-ordinator, Ann Burton, by Sunday 18th October.

Thank you.

For Businesses:

Do you own your own business?

Advertising in our school magazine (For the Record) is a great way to reach our school community and show your support for our school. For as little as \$55 (inc GST) your name and logo will be printed on a page in this year's magazine for all to see. You will reap the rewards as the magazine is revisited over and over again by past and present students and their families.

Without your support, we could not envisage such a fabulous magazine being available to our school families and community. We encourage you to sponsor a page (or two) to continue to make it an important part of your child's memories of their school days.

Please contact Ann Burton (For the Record Co-ordinator) to discuss your sponsorship requirements on 5623 4066 or at Ann.Burton@education.vic.gov.au by Sunday 18th October.

Mrs Ann Burton
'For the Record' Co-ordinator

ICAS UNIVERSITY OF NSW COMPETITION POSTPONED

POSTPONED

In light of the current COVID-19 restrictions and with students learning remotely, ICAS have advised us that the sitting dates for the 2020 University of NSW competitions have been postponed. Students from Years Two to Six that have been enrolled for the ICAS tests will now sit the tests between 12th October, 2020 and 13th November, 2020.

'FOR THE RECORD' 2020

You will have noticed that your school account has the inclusion of a \$30.00 contribution for your family's copy of our school magazine 'For the Record'.

'For the Record' is a fantastic record of school events; has photographs of every child at the school on 'photo day'; a list of every child attending Warragul North Primary School just prior to the printing of the magazine and an item from every student attending the school on 'For the Record' submission day.

Should you wish to receive a copy or copies of the school magazine, then the cost must be paid by **SUNDAY 18TH OCTOBER**. Only those families who have paid for the magazine by this deadline will receive a copy. No extra copies will be printed beyond those paid for and ordered.

Payment can be made via direct deposit (BSB: 313-140 A/C NO: 12012190), BPAY or by phoning the school office and making a payment over the phone. If you have credit in your account (not CSEF) and would like to use it to pay for the school magazine, please phone the school office.

We look forward to presenting this year's magazine to you on the last day of school for 2020.

ARE YOU MOVING?

If you plan on leaving Warragul North Primary School at the end of 2020, it would be appreciated if you could notify the school office as soon as possible. This will assist us with our class

planning for 2021 and also enable us to forward a transfer note to your children's new school. Thanks!

PLANNING FOR 2021

The process for planning grades for 2021 will begin shortly. Teachers take considerable time to place students in grades, giving consideration to the educational needs of individual students.

Parents who hold particular concerns for their child's placement for the following year are invited to put their request in writing and forward it to the school office for consideration. **Requests must be handed in by Friday 13th November, 2020.**

IMPORTANT MESSAGE TO ALL BUS USERS

Please note that there will be NO government school buses operating on **MONDAY 2ND NOVEMBER** (Warragul Regional College has a pupil free day). The connecting town bus will also not operate on Monday 2nd November. Parents need to make alternative transport arrangements for their children to attend school on Monday 2nd November.

SUMMER UNIFORM REMINDER

Children need to be in either summer or winter uniform, not a combination of both e.g. summer dress over pants or tights. A copy of the uniform dress code is available from the school office. Our uniform is available for purchase from Beleza in Williams Square, Warragul.

Plain black footwear is part of the Warragul North Primary School compulsory uniform. There is a wide range of footwear available in black such as runners, t-bars and velcro styles. As students grow out of (or wear out!) their shoes please replace them with plain black shoes. Socks are to be plain white or navy.

Compulsory school uniform is a proud and distinctive part of the Warragul North Primary School identity. Our uniform is neat, attractive, practical and economical and wearing the uniform adds to the feeling of belonging and builds school spirit for students.

Wellness Wednesday

9th September

What a great day the children at on-site supervision had on Wellness Wednesday. The children spent time in the art room decorating an interesting assortment of kitchen utensils to create their Spoonville characters. Mrs Glaister did a wonderful job encouraging the children to be creative and the results were amazing.

Mrs Vickerman had very kindly organised a scavenger hunt all around the school grounds. It was fun and exciting for the children and they thoroughly enjoyed the challenge of finding all sorts of items.

After lunch was more fun with a 'Red Faces' talent show led by Mrs Matthys who also joined in on her guitar.

The children certainly enjoyed their screen-free Wellness Wednesday!

Spoonville @ WNPS

Spoonville well and truly arrived at Warragul North Primary School at the end of Term Three. The project certainly created lots of fun across all year levels and demonstrated just how creative students and their families can be.

A B-I-G thank you to Mr Bruce Harris for creating our very colourful Spoonville@WNPS display in the garden bed at the corner of O'Dowds Road and Balmoral Street.

It was very enjoyable watching the children proudly deliver their spoon characters. Well done everyone the colourful display looks terrific!

JINDIVICK CRICKET CLUB

Jindivick Cricket Club is a local club that offers cricket playing opportunities for juniors and seniors.

We try hard to value all of our players and we have a good mix of locals and others who choose to come in from all over the district. The club is situated at the beautiful Kydd-Parke Reserve 1120 Jacksons Track, Jindivick, overlooking Warragul and surrounding townships. We are a relaxing 20 minute drive from Warragul.

We play at Jindivick and around the district, which is roughly bordered by Tynong to Yarragon. The club is always looking for new players to come and enjoy the country experience.

The start of the cricket season is tentatively planned for mid October if the COVID restrictions are lifted.

We are welcoming questions and expressions of interest for the coming season. We generally field under 12, 14 and 16 plus around 4 senior teams.

Game days are Saturdays for seniors, Wednesday afternoons for 12s, Monday afternoons for under 14s and Saturday afternoons for under 16s.

Enquiries welcome:
